

# MAiD

*Medical Assistance in Dying*

## FAMILY MEET-UP

# CONNECT WITH US!

Matthews House Hospice is assembling a **monthly peer support group**, co-facilitated by Client Coordinator, Megan Rochford, MSW, RSW. We believe, being part of a group with others who also have experience with MAiD, can help families and individuals work through grief, understand others, and be understood.

This group reflects lived experience from our community. Our goal is to support the loved ones of those who have accessed MAiD and those caregivers/loved ones who are still on the journey.

For more information please contact  
Megan at 705-435-7218
