

BRIDGE C-14

A NETWORK OF PEER-TO-PEER CONNECTIONS AND COMMUNITY SUPPORTS FOR INDIVIDUALS IMPACTED BY MEDICAL ASSISTANCE IN DYING (MAID)

ABOUT US

Since its launch as a national not-for-profit organization in November 2017, Bridge C-14 has created a network for people across Canada to access MAiD support.

Bridge C-14 was founded on the need for peer-to-peer support for people with lived experience with MAiD, and to provide access to information about MAiD. We strive to inspire conversations that honour and respect family dignity and individual choice. We are committed to bridging the gap between procedure and compassionate support.

WHAT WE DO

Bridge C-14 is building a community where everyone touched by MAiD will feel connected, seen, heard and supported. We are providing a compassionate and safe place for individuals to share their lived experience and to build meaningful connections with others.

We invite people to join in the conversation, find the support that you are seeking, and experience a feeling of community with others who understand and appreciate your journey.
